

ASSISTANT PROFESSOR
CHINA ECONOMIC RESEARCH CENTER AT STOCKHOLM SCHOOL OF
ECONOMICS

The China Economic Research Center (CERC) at Stockholm School of Economics invites applications for positions at the assistant professor level. CERC faculty conducts research on the economies of Asia. We welcome candidates with excellent backgrounds in all fields, but put a premium on a verifiable interest in issues of particular concern to the Chinese economy.

Eligible candidates will complete their PhD by June 2012. Salaries will be determined individually and levels are internationally competitive.

Application

Please send your curriculum vitae, a detailed publication record, 3 letters of recommendation, and a copy of your job-market paper to nanhee.lee@hhs.se. Applications shall be submitted by December 1, 2011. We will interview candidates at the AEA Annual Meeting in January 2012.

About CERC

CERC is a leading center for studies of Asian economies with emphasis on China. Research, teaching and outreach activities are focused on China's economic development, political economy, financial system, and the impact of Chinese growth on emerging Asian economies. The center provides a dynamic research environment.
