SSE PHD

Building on 100 years of history as a leading business school, and almost 70 years of PhD education, the SSE PhD aims to be ranked as one of the top-10 programs in Europe.

SSE PhD offers three distinctive programs:

- SSE PhD in Business Administration
- SSE PhD in Economics
- SSE PhD in Finance

The SSE PhD is an international program equivalent to 240 ECTS. Some 130 PhD candidates are currently enrolled in the three programs.

SSE PhD alumni play prominent leadership roles in government and private industry, and take on important faculty positions in Business schools around the world.

Welcome to SSE PhD!
