

The Stockholm School of Economics (SSE) is one of Europe's leading business schools. We have been ranked as the no.1 business school in the Nordic countries nine years in a row by the Financial Times.

MSC PROGRAM IN ECONOMICS 2 YEARS, 120 ECTS

The Master of Science Program in Economics will equip you to address challenging economic problems and provide you with excellent tools to pursue careers in both the public and private sector. The program emphasizes problem solving skills that can be applied in a wide variety of settings and offers an invaluable start to your career. By using modern economic analysis and quantitative empirical methods, we give you the tools to analyze complex real world problems in public policy making, as well as in private business and international organizations.

The program is best suited to students with a strong undergraduate background in economics. It demands an excellent analytical ability and the ambition to put your work to the test with the very best people in the field. All courses are given in English by internationally renowned faculty.

PROGRAM SPECIALIZATIONS:

Applied Economic Analysis

Puts emphasis on theoretical and empirical problem-solving skills that can be applied in a wide variety of settings, which will serve you well throughout your career in our increasingly complex world.

International Economics

Equips you with the skills to pursue an internationally oriented career with government and non-government organizations, or with international businesses.

STOCKHOLM SCHOOL OF ECONOMICS

The Stockholm School of Economics (SSE) is rated as the top business school in the Nordic and Baltic countries and is highly regarded internationally. SSE offers programs of the highest international standards, including bachelor, master, PhD, Executive Format MBA and executive education programs. The school also conducts world-class research. Our programs are developed in close cooperation with the research and business communities, which give our graduates great potential to attain leading positions in companies and other organizations. SSE is accredited by EQUIS, certifying that all of the main activities – teaching as well as research – are of the highest international standards. SSE is also the only Swedish member institution of CEMS and PIM, which are collaborations between top business schools worldwide, contributing to the high quality SSE is known for.

5 REASONS TO CHOOSE SSE

- 1 NATIONAL AND INTERNATIONAL RECOGNITION**
For the past nine years, SSE has been ranked by the Financial Times as the No.1 business school in the Nordic and Baltic countries.
- 2 CLOSE TIES TO BUSINESS AND RESEARCH**
Local and international business are closely linked with the school and engaged with our students on a daily basis. Our world class research influences our education and is beneficial for our corporate partners.
- 3 LOCATION: STOCKHOLM**
A beautiful capital city and a leader in business innovation and sustainability.
- 4 THE SSE WAY**
A small business school with a substantial social footprint, which creates close ties between students, faculty and staff.
- 5 CAREERS WITH AN IMPACT**
SSE paves the way to a wide range of career options, regardless of whether you seek to be employed or want to become an entrepreneur.

“The fact that you obtain a high-end education at an institution that is known for its standing in international and regional rankings should be reason enough to apply to SSE.”

Marian Schwimmer,
student from Austria
MSc program in Economics
