EMPLOYMENT REPORT 2017

WIDE SELECTION OF CAREERS

At the Stockholm School of Economics (SSE), we are proud of our graduates, and the choices they make with the opportunities afforded them. A Master degree from SSE opens doors to a wide range of careers and advanced studies.

OUR 2016 MASTER GRADUATES are no exception to this trend, having been highly successful in their search for fulfilling jobs. Of this high-achieving cohort, 93 percent accepted a job offer within three months of graduation. Our graduates represent 35 different nationalities and are fully prepared to become the responsible global business leaders of tomorrow, with lifelong access to our worldwide network of over 20,000 alumni which adds to the benefits of earning an SSE degree.

We congratulate our graduates on their success, while thanking loyal recruiters, alumni and corporate partners for their contributions to the professional development of SSE students and graduates. We look forward to preparing future leaders to tackle tomorrow's business challenges.

"During my last year at SSE I worked with an excellent professor who introduced me to several people working on issues related to international development. I learned a lot from working with these people and the connections were crucial for my career. I also have SSE to thank for my first and second job in New York. These opportunities somehow came through SSE connections"

Mirja Sjöblom, Senior Economist at World Bank (in New York, USA)
