

Center for Governance and Management Studies (CGMS) Seminar

”Nordic Corporate Governance”

On June 14, 2016, **Sven-Erik Sjöstrand**, CGMS, will present some results on corporate governance practices in the Nordic region, published in the new book “Nordisk bolagsstyrning” (SSE Institute for Research, 2016). The book reports a study of 40 corporate boards in large- and mic-cap companies, including 225 interviews with individual directors, managers, shareholders and other actors.

The seminar will be held in Swedish.
Later this year, the book will be available also in English.

Welcome to room “Sven-Erik” on floor 6, Saltmätargatan 13-17, at 12.00-14.00. Sandwiches and beverages will be served.

Participants may sign up and receive further materials by contacting:
