# FINANCE FALL RECRUITMENT 2022 AT SSE

**SSE FINANCE FALL RECRUITMENT** is a great way to meet SSE master students with an interest in finance, build long-lasting relationships and develop your employer brand. Employers can offer internships as well as permanent positions – both first and second year master students participate. Recruiters have the option of meeting students in person or via a digital platform.

## **SSE'S MSC STUDENTS**

Our Master programs combine a rigorous, research-based curriculum with extensive real-world applications and operational skill building. Students are taught by experienced faculty with leading expertise in relevant areas. The programs have a global student body with diverse career plans and backgrounds, committed to excellence and professionalism. SSE students are interested in consulting, venture capital, fintech, investment banking, private equity, and many other areas.

## **CONNECTING TO MSC STUDENTS**

The career fairs take place at the beginning of the internship recruiting season for first year students, and early in the permanent job search for most second year students.

Other avenues for connecting with our students includes posting positions on SSE's job board [Career Hub](#) – a popular way for students to find internships, part-time and full-time jobs.

## **CAMPUS FINANCE FALL RECRUITMENT – SEPTEMBER 21**

The campus recruitment day allows employers to interact with students in person on school premises in central Stockholm. Each employer is provided with a booth where recruiters meet students in an open fair format. Due to limited space, registration will be filled on a first-come, first-served basis. The campus event takes place on Wednesday, September 21, at 15:00–18:00.

## **VIRTUAL FINANCE FALL RECRUITMENT – SEPTEMBER 28**

Our online event allows companies to connect with students through a digital format. Participating employers have virtual booths and the possibility of hosting webinars. Recruiters will receive a CV Book before the event and can schedule one-to-one meetings. The virtual event takes place on Wednesday, September 28, at 15:00–18:00.

There is no fee for participating employers.
