EAMSA Conference Presentation Information

- Each paper has 20 minutes (or 15 minutes) time slot.
- Presentations should be kept within 10 (or 7) minutes, followed by 10 (or 8) minutes discussion.
- To save time, we ask presenters to arrive at least 5 minutes in advance of their session.
- You are more than welcome to use your own computer for your presentation – please do not forget your adapter(s)! The venue projectors are using an HDMI connection.
- If you are in need of a computer for your presentation, please send the conference manager Nanhee Lee an e-mail at nanhee.lee@hhs.se.

To the Session chairperson: However, Session chairpersons may arrange the session differently from the basic format. If so, please inform the presenters before the session.

An important part of the session discussion is the plenary discussions/Q&A. Therefore, **we encourage all presenters to share their papers with the chairperson and the fellow presenters of the session.**
