# Author journey

# Your Wiley Open Access Account makes it easier for authors to publish open access

Authors affiliated with your institutions can publish research open access at no additional cost in two ways:

1. Using OnlineOpen, Wiley's hybrid open access option
2. In Wiley's fully Open Access journals

**OnlineOpen:  
Hybrid open access option**

## OnlineOpen: Author invitation workflow

### Author Workflow

All authors are guided through these steps, regardless of how they enter the workflow (via the link in the invitation email, or by logging into Author Services).

- Step 1: Invitation email
- Step 2: Log in to Author Services
- Step 3: Confirm affiliations
- Step 4: Enter funder information
- Step 5: Select OnlineOpen
- Step 6: Copyright ownership selection
- Step 7: Creative Commons licence selection
- Step 8: Licence signing
- Step 9: Confirmation

## Article eligibility

### Open access agreement for Bibsam institutions

#### Publish open access with Wiley

Beginning 1 January 2020, authors affiliated with participating Swedish [Bibsam](#) institutions may publish primary research and review articles in any of Wiley's fully gold Open Access or Wiley's hybrid, OnlineOpen journals at no further charge\* to the author.

To publish without having to pay additional Article Publication Charges (APCs), the article's [corresponding author](#) must be from an [eligible institution](#) and the article must have been accepted on or after 1 January 2020.

\*subject to availability of sufficient funds in eligible Bibsam institutions' Wiley Open Access Accounts

#### To be eligible:

- Your manuscript must have been accepted on or after 1 January 2020
- You must be the corresponding author who is affiliated with an [eligible Bibsam institution](#) at the point of acceptance<sup>1</sup>
- You must publish open access (in a fully gold OA journal or a hybrid journal that offers OnlineOpen)
- If publishing in a hybrid journal, you must order OnlineOpen at the point of acceptance by using our order workflow as described below<sup>2</sup>
- All primary research and review articles qualify<sup>3</sup>

#### Why publish open access?

#### How to publish your article open access

Eligible authors may publish open access in one of two ways:

Publish in any of Wiley's fully gold Open Access journals ([View journal list](#)) and follow the instructions in the PDF below. Publish in any of Wiley's hybrid journals that offer OnlineOpen ([View journal list](#)) and follow the instructions in the PDF below.

### Article Publication Charge

\*All articles published by ##JOURNAL\_NAME## are fully Open Access: Immediately available to read, download and share.

To cover the cost of publishing, ##JOURNAL\_NAME## charges an Article Publication Charge for accepted articles:

- Direct submissions: \$2,700/£1,755/€2,052.
- Data papers: \$1,620/£1,080/€1,296.
- Referred papers with peer-review reports from another Wiley journal (20% discount): \$2,160/£1,404/€1,642.
- Read for [more info](#) about Article Publication Charges and discounts.

### Instructions

You'll need to select from three payment options below.

To determine which is applicable to you, follow these steps:

1. Use our [Account Code Tool](#) to check if your institution or funder has an agreement with Wiley (a Wiley Open Access Account) to cover your Article Publication Charge. If your institution or funder is listed, enter the code below.
2. If you are a corresponding author from a country on the [Wiley Open Access Automatic Waiver List](#), select the Automatic Waiver option.
3. If neither of those options apply to you, select the option to pay or to arrange payment for the Article Publication Charge. Choose this option if your institution requires an invoice for payment. You can pay by credit card, invoice or proforma. If you choose this option, you may also be eligible for certain discounts from the '[Discounts That May Apply](#)' section.

### WHO WILL PAY (please choose your option)

- My institution or funder has an agreement with Wiley and may pay the Article Publication Charge.**

Enter your code as found in the [Account Code Tool](#):

0 out of 4 characters

Enter your funder and Grant/Project number if your institution requires this information to pay the Article Publication Charge:

- I am a corresponding author from a country on the [Automatic Waiver List](#) and request a waiver of the Article Publication Charge for this article.**
- I will pay or will arrange payment for the Article Publication Charge.** (Select from the dropdown menus below for any applicable discounts.)
