BSC IN BUSINESS & ECONOMICS

3 | **180**
YEARS | **ECTS**

This program provides you with a broad and deep foundation for a successful career in leading positions within business, economics, finance, innovation, and entrepreneurship. The first half consists of mandatory courses, while the second half gives you a lot of freedom to customize your degree through specializations and electives. You can apply for a 16-week internship fully in English or go for an exchange semester at other top universities around the world.

You will sharpen your strategic, analytical, problem-solving, and self-reflection skills. You will also gain in-depth understanding of the economic factors that affect society and organizations, along with a business and economics perspective on global challenges such as sustainability, climate crises, and international conflicts.

"The focus on critical thinking, innovation, and global perspectives empowers me to tackle the complex challenges of the modern world. The internship at one of SSE's partner companies was a big highlight for me."

Savya Gupta, India
2025 Graduate, BSc in Business & Economics

"The program unlocks international career paths and provides you with the skills you need to flourish in global environments. I got unique opportunities to work with global engagement, such as engaging in CIVICA, doing an internship at the UN headquarters in New York, and travelling to Rwanda for the GELS scholarship project."

Katarina Li Qiu, Sweden

BSC IN RETAIL MANAGEMENT

3 | **180**
YEARS | **ECTS**

This is the only program of its kind in the world – designed for ambitious, curious students ready to turn ideas into action. With only 60 seats per year, it offers a personalized and high-caliber experience for future business developers, problem solvers, and changemakers. Rooted in business economics, with retail as the applied area, you get a solid foundation in core subjects like marketing, financial management, and strategy – all tailored to the fast-moving world of retail, entrepreneurship, and consumer-centric business.

What truly sets the program apart is its deep integration with corporate partners. Students collaborate with leading retail companies through the Applied Retail Track, blending theory with hands-on learning and live case projects. It's where classroom insights turn into boardroom solutions.

RETAIL CLUBS

RETAIL PARTNERS

"Building community and developing your personal self is so important for growth in an academic setting. The Retail Management program provides exactly that through opportunities to work closely with faculty and companies. Additionally, the small group setting creates strong peer relationships!"

Sophie Nguyen, United States
Student, BSc in Retail Management

EXCELLENT CAREER OPPORTUNITIES

Many previous students highlight how the unique way of thinking and learning at SSE will give you an edge throughout your career. A degree from SSE will open up the path to leading positions globally or in Sweden, whatever your passions and interests are. Perhaps you're a future business leader, entrepreneur or top-level manager within for example accounting, finance, HR, marketing, sustainability, retail, tech or international politics?

APPLICATION REQUIREMENTS: SWEDISH APPLICATION ROUND

BEHÖRIGHETSKRAV

1 GYMNASIEBETYG MED MINST C I FÖLJANDE KURSER

- Svenska 3 eller Svenska som andraspråk 3
- Engelska 6
- Matematik 3B/3C
- Samhällskunskap 1B eller 1a1+1a2,
- Historia 1B eller 1a1+1a2
- Moderna Språk 3 (krävs endast för BSc in Business & Economics)

Motsvarighet för IB: hhs.se/ib

OBS! Vi tillämpar meritpoäng (högsta meritvärde är 22.5).

2 HÖGSKOLEPROVSRESULTAT PÅ MINST 1,25

Det spelar ingen roll om du har högre resultat, såvida du inte vill ha chansen att bli antagen enbart genom ett väldigt högt högskoleprovsresultat. Söker du med utländska betyg kan du istället för Högskoleprovet göra något av testerna SAT (minst 1300) eller ACT (minst 28).

FYRA SÄTT ATT BLI ANTAGEN

1 HÖGT MERITVÄRDE FRÅN GYMNASIEBETYG

För att bli antagen med dina gymnasiebetyg måste du uppfylla samtliga behörighetskrav ovan.

Se antagningsstatistik på hhs.se/statistik

2 HÖGT HÖGSKOLEPROVSRESULTAT

Alla sökande måste göra högskoleprovet och få ett resultat på minst 1,25 oavsett hur man ansöker. Du kan dock även bli antagen med ett väldigt högt högskoleprovsresultat. 2025 var lägsta resultat för antagning i den här kvoten 1,95 för Business & Economics och 1,9 för Retail Management.

Utöver behörighetskraven ovan måste du i ditt gymnasiebetyg ha ett jämförelsetal på minst 17.0 utan meritpoäng (IB: minst 31).

3 SÄRSKILDA MERITER

För dig med framstående prestationer på hög nivå inom idrott, teknik, konst, musik, ledarskap, entreprenörskap. Måste vara genomfört parallellt med dina gymnasiestudier. Ansökan består av personligt brev med beskrivning av meriten, verifierat intyg samt minst en referens.

Utöver behörighetskraven ovan måste du i ditt gymnasiebetyg ha ett jämförelsetal på minst 17.0 utan meritpoäng (IB: minst 31).

4 ALTERNATIVT URVAL

Syftet med alternativt urval är att öka mångfalden i studentpopulationen och få in fler olika perspektiv och livserfarenheter. Ansökan består av CV, motivationsbrev, analytiskt test och personlig intervju.

Vi tror att du som söker inte har haft de bästa förutsättningarna för att få de allra högsta betygen. Vi söker främst dig med icke-akademisk bakgrund (ingen av dina föräldrar har universitetsexamen) men du kan även ha haft försvårande omständigheter under din gymnasietid. Du är ambitiös, motiverad och har en stark drivkraft att studera just på Handelshögskolan.

Utöver behörighetskraven ovan måste du i ditt gymnasiebetyg ha ett jämförelsetal på minst 17.0 utan meritpoäng (IB: minst 31).

Vi ser gärna fler kvinnliga sökande och sökande med utländsk bakgrund.

SÅ ANSÖKER DU

Ansök via antagning.se mellan mitten av mars och mitten av april. För särskilda meriter och alternativt urval gör du även en separat ansökan till oss.

WELCOME TO YOUR NEW HOME!

SWEDEN

Sweden is full of natural experiences just around the corner. Swedes are active and outdoor-loving people with a big focus on eco-friendliness, sustainability, and work-life balance.

Known for a strong tradition of creativity and innovation, Sweden is home to many global companies such as IKEA, Volvo, Ericsson, H&M, Klarna, and Spotify. It is also the third-largest music exporter in the world.

STOCKHOLM

Stockholm is vibrant, international and a major hub for culture, music, tech, innovation, and entrepreneurship. In fact, Stockholm produces more successful start-up companies per capita than any other European city, and our very own incubator SSE Business Lab has one of the best track-records in Europe.

Stockholm is strikingly beautiful with water and green spaces everywhere you look. It's also one of the cleanest capital cities in the world.

STUDENT HOUSING

There's a wide range of student housing opportunities in Stockholm. If you are an international student, you may apply for an apartment directly through SSE.

STUDENT LIFE AT SSE

With around 2,000 students, SSE is a small business school with a familiar, friendly, and international vibe.

SASSE is one of the most active student associations in the Nordics, organizing countless events and activities. Did you know that SASSE also co-organize the official Nobel Prize afterparty? Furthermore, they organize corporate events and career fairs, helping you grow your professional network.

No matter if you're interested in music, art, sustainability or something else, you will find something to engage in. If you're into sports, there's plenty to choose from, such as basketball, bouldering, cheerleading, football, and volleyball. Or why not try Tough Viking? You can also take part in competitions abroad and go for surf trips and ski trips.

UNIQUE STUDY ENVIRONMENT

FREE is our educational mission. It stands for Fact and science based mindset, Reflective and self aware, Empathetic and culturally literate, Entrepreneurial and responsible.

One manifestation of FREE is the fact that many classrooms are refurbished by artists to create a truly inspiring study environment. Another example is the Literary Agenda book circle with more than 300 participants every year. Additionally, all new students are offered an introductory course in happiness and wellbeing.
