

WELCOME TO SSE!

The Stockholm School of Economics (SSE) is ranked as the best business school in the Nordic and Baltic countries. SSE educates talented women and men for leading positions in the business community, politics, NGOs and the public sector, and has done so since 1909. Our school has earned a reputation for excellence, both in Sweden and around the world.

A SMALL SCHOOL WITH A BIG IMPACT

Our school is relatively small, with only about 1,800 students, which creates close ties between students, faculty and staff. Classes are small and faculty are highly accessible. Teaching includes interactive case studies. The more real things get, the more you learn.

GRADUATES MAKING A DIFFERENCE

72%

SSE Graduates make a difference. Of the top 30 Swedish companies on the OMX Stockholm 72% have at least one SSE alumni on their Board of Directors and 38% have at least one SSE alumni on their Executive Management team.

38%

VALUABLE CONNECTIONS

92%

We work in close cooperation with the business community, which make a strong impact on the education. Real problems and solutions are used in class, and we make sure our students get what the employers are looking for. Our more

than 110 corporate partners provide plenty of opportunities to make valuable connections from day one. We also house the SSE Business Lab, a world-class business incubator. The 2020 SSE Employment Report shows that 92% of SSE graduates from the MSc programs are employed within three months of graduation.

INTERNATIONAL TOP SCHOOL

We are an international school based in central Stockholm, known as one of the world's most beautiful cities with a bustling start-up scene. Many of our students and staff have an international background.

PARTNERS AND MEMBERSHIPS

We collaborate with top schools all over the world, are members of the prestigious CEMS network, and are accredited by EQUIS (European Quality Improvement System), which means that all programs and research are regarded to be of the highest international standard. We also offer Double Degree possibilities with prominent partner universities in Italy, France and Switzerland.
