

# Want to Get the Most Out of Studying in Stockholm?

Join the Stockholm Student Academy 2025 – the ultimate crash course in Swedish society, culture, and career life!

If you're an international student this free evening program is designed to help you connect with Sweden on a deeper level – and boost your chances of staying and working here after graduation.

## What's in it for you?

- Get insider knowledge on Swedish history, society, and values
- Navigate the job market and learn how to land a career in Stockholm
- Explore the city with museum visits, tours, and social events
- Network with other students and meet employers
- Earn a certificate that shows you're serious about your future in Sweden

## 7 sessions. 4 themes. Endless connections.

From understanding the Swedish mindset to prepping your job applications – we've got you covered.

Open to international students from Stockholm's 18 universities. Spots are limited, so don't wait too long to apply!

Stay in Sweden. Build your network. Make Stockholm yours.

Applications open in August – keep an eye out!
