THE STRUCTURE OF THE PROGRAM

Program period: Academic year 2025-26 (Oct 17, 2025 - end of June 2026)

Number of meetings: At least 4 times during the academic year.

How to meet: Meetings can be in-person, via telephone or by other virtual means.

There are no required hours – as with all important relationships, it is the quality, rather than the quantity, that makes the difference. The responsibility for building and maintaining a successful relationship rests with both the mentor and the student.

MENTORING ACROSS BORDERS

Our global SSE alumni network enables mentoring relationships across borders. SSE welcomes the participation in the program of alumni based outside Sweden as mentors. The school also encourages MSc students who are on exchange to participate.

A MENTORSHIP RELATIONSHIP IS

- Professional
- Voluntary
- Equal
- Interdisciplinary
- An ongoing process that requires the commitment of both parties
