

MSc INTERNATIONAL BUSINESS

The Stockholm School of Economics (SSE) is one of Europe’s leading business schools. We have been ranked as the no. 1 business school in the Nordic and Baltic countries over fifteen years in a row by the Financial Times. SSE offers programs of the highest international standards, including Bachelor, Master, PhD, MBA and Executive Education programs. The School also conducts world-class research.

Our programs are developed in close cooperation with the research and business communities, which give our graduates great potential to attain leading positions in companies and other organizations. SSE is accredited by EQUIS, certifying that all of the main activities – teaching as well as research – are of the highest international standards. SSE is also the only Swedish member institution of CEMS and PIM, which are collaborations between top business schools worldwide, contributing to the high quality SSE is known for.

MSc PROGRAM IN INTERNATIONAL BUSINESS

Do you love meeting new people and cultures, leading and collaborating, inspiring and being inspired by talented professionals from different

backgrounds? Welcome to our Master of Science program in International Business!

The MSc in International Business provides you with the tools to master the challenges of management and strategy in global organizations. The program combines advanced analytical training with active learning in real projects together with SSE and CEMS corporate partners. Upon admission to the MSc in International Business candidates are pre-approved to the CEMS MIM program.

You will work on an advanced level with topics focused on running and developing global organizations. We use strategy and marketing tools to put the firm in context and explore how firms influence their competitive environments. You also learn how to make firms grow and prosper from the inside, through innovation and management practices that build operational excellence. Ultimately, you will learn how to improve organizations and the things they do.

Did you know that the MSc program in International Business takes part in the Financial Times’ Masters in Management ranking? The latest ranking placed us 19th out of 100 participating top international business schools.

Upon fulfilling the graduation requirements of SSE and CEMS, you will be awarded both a Master of Science degree from SSE and a Master degree in International Management from CEMS, the prestigious global alliance in management education.

“I chose to study SSE’s MSc program in International Business because of the unique opportunity of getting exposed to new international environments and engaging in and solving complex problems with highly diverse and bright individuals.”
